Certifying, and Training Suicide Prevention Hotlines
(PPHF-2012)**

Life

Short Title: The Lifeline

(Initial Announcement)

Request for Applications (RFA) No. SM-12-004

Catalogue of Federal Domestic Assistance (CFDA) No.: 93.243

Key Dates:

Application Deadline	Applications are due by May 25, 2012
Intergovernmental Review (E.O. 12372)	Applicants must comply with E.O. 12372 if their State(s) participates. Review process recommendations from the State Single Point of Contact (SPOC) are due no later than 60 days after application deadline.
Public Health System Impact Statement (PHSIS)/Single State Agency Coordination	Applicants must send the PHSIS to appropriate State and local health agencies by application deadline. Comments from Single State Agency are due no later than 60 days after application deadline.

EXECUTIVE SUMMARY:

The Substance Abuse and Mental Health Services Administration, Center for Mental Health Services is accepting applications for fiscal year (FY) 2012 for a Cooperative Agreement for Networking, Certifying, and Training Suicide Prevention Hotlines. The purpose of this program is to manage, enhance, and strengthen the National Suicide Prevention Lifeline (referred to as the Lifeline), SAMHSA's system of toll-free telephone numbers that routes calls from anywhere in the United States to a network of certified local crisis centers that can link callers to local emergency, mental health, and social service resources. The technology permits calls to be directed immediately to a suicide prevention worker who is geographically closest to the caller.

Funding Opportunity Title:	Cooperative Agreement for Networking, Certifying, and Training Suicide Prevention Hotlines
Funding Opportunity Number:	SM-12-004
Due Date for Applications:	May 25, 2012
Anticipated Total Available Funding:	\$3.7 million
Estimated Number of Awards:	1
Estimated Award Amount:	Up to \$3.7 million per year
Cost Sharing/Match Required	No
Length of Project Period:	Up to 3 years
Eligible Applicants:	Domestic public and private nonprofit entities. [See Section III-1 of this RFA for complete eligibility information.]

I. FUNDING OPPORTUNITY DESCRIPTION

1. PURPOSE

The Substance Abuse and Mental Health Services Administration, Center for Mental Health Services is accepting applications for fiscal year (FY) 2012 for a Cooperative Agreement for Networking, Certifying, and Training Suicide Prevention Hotlines. The purpose of this program is to manage, enhance, and strengthen the National Suicide Prevention Lifeline (referred to as the Lifeline), SAMHSA's system of toll-free telephone numbers that routes calls from anywhere in the United States to a network of certified local crisis centers that can link callers to local emergency, mental health, and social service resources. The technology permits calls to be directed immediately to a suicide prevention worker who is geographically closest to the caller.

This initiative is expected to increase and improve public access to crisis intervention services and to promote a consistent and evidence-informed approach to crisis hotline, chat, and text services throughout the network. Priorities and awareness raising activities will also be directed towards ensuring that the prevention needs of diverse populations, including but not limited to, the needs of high-risk populations identified by the National Action Alliance for Suicide Prevention; lesbian, gay, bisexual, or transgender (LGBT) youth, American Indian/Alaska Native (AI/AN), military family members and veterans are addressed.

The Lifeline is a 24-hour, confidential suicide prevention hotline available to anyone in suicidal crisis or emotional distress. Callers from anywhere in the United States can call a single toll-free number to be routed to the closest crisis center within the Lifeline's network of more than 150 certified local crisis centers that can link callers to local emergency, mental health, and social service resources. Since its launch in 2005, the Lifeline has grown to more than 150 centers, answered more than 3 million calls, facilitated timely and ongoing communication with existing networked centers, developed suicide risk assessment standards and guidelines for helping callers at imminent risk of suicide, and maintained a strong social media presence to increase awareness about suicide prevention resources and recognition of warning signs. The National Suicide Prevention Lifeline has also partnered with the Department of Veterans Affairs since 2007 to provide crisis intervention and suicide prevention services to callers who are veterans or active duty military, as well as their families are addressed.

SAMHSA has demonstrated that behavioral health is essential to health, prevention works, treatment is effective, and people recover from mental and substance use disorders. Behavioral health services improve health status and reduce health care and other costs to society. Continued improvement in the delivery and financing of prevention, treatment and recovery support services provides a cost effective opportunity to advance and protect the Nation's health. To continue to improve the delivery and financing of prevention, treatment and recovery support services, SAMHSA

has identified eight Strategic Initiatives to focus the Agency's work on improving lives and capitalizing on emerging opportunities.

The Networking, Certifying, and Training Suicide Prevention Hotlines aligns with SAMHSA's Strategic Initiative 1: Prevention of Substance Abuse and Mental Illness Strategic Initiative, Goal 1.3: Prevent suicides and attempted suicides among populations at high risk, especially military families, youth, and American Indians and Alaska Natives; Objective 1.3.2: Increase public knowledge of the warning signs for suicide and actions to take in response; Objective 1.3.3: Increase the use and effectiveness of the Veterans Suicide Prevention Hotline/Lifeline.

The Cooperative Agreement for Networking, Certifying and Training of Suicide Prevention Hotlines grant is authorized under Section 520A of the Public Health Service Act, as amended. This announcement addresses Healthy People 2020 Mental Health and Mental Disorders Topic Area HP 2020-28. This cooperative agreement is financed in part by 2012 Prevention and Public Health Funds (PPHF-2012).

2. EXPECTATIONS

The Networking, Certifying, and Training Suicide Prevention Hotlines cooperative agreement awardee must ensure that the following program goals are met:

- Manage, enhance, and strengthen the National Suicide Prevention Lifeline, a national network of certified local crisis centers linked by a system of toll-free suicide prevention telephone numbers, available to anyone in the United States.
- Manage and promote effective communication with networked crisis centers and manage sustained outreach efforts that encourage other qualified crisis centers to join the network, especially centers in underserved areas serving populations at high risk for suicide.
- Maintain and expand the chat and text sub-networks through which internet and mobile technology users can access crisis centers within the Lifeline network.
- Increase the number of crisis centers that are (1) certified in suicide prevention by a recognized body or agency for phone, chat, and text services; and (2) able to meet the following:
 - The Suicide Risk Assessment Standards, which can be found at: http://www.suicidepreventionlifeline.org/App_Files/Media/PDF/Training/NSPL%20SRAS%20and%20Prompt%20Questions.pdf, and
 - Lifeline Policy for Callers at Imminent Risk of Suicide, which can be found at: http://www.suicidepreventionlifeline.org/App_Files/Media/PDF/Lifeline%20Policy%20for%20Helping%20Callers%20at%20Imminent%20Risk%20of%20Suicide.pdf

- Collect, analyze, and report data regarding the technical efficiency and effectiveness of telephone, chat, and text services provided to callers.

SAMHSA strongly encourages all grantees to provide a smoke-free workplace and to promote abstinence from all tobacco products (except in regard to accepted tribal traditions and practices).

2.1 Required Activities

The Lifeline grant funds must be used primarily to support infrastructure development, including the following types of activities:

- Maintain, strengthen, and expand as needed the National Suicide Prevention Lifeline crisis center network, through which telephone technology links crisis centers to toll-free suicide prevention lines. This network must automatically route calls from anywhere in the United States to the crisis center that is in closest proximity to the caller, must have multiple levels of back up centers including a system of regional centers, and must have a demonstrated surge capacity (i.e., the ability to answer calls when there is a sudden, large spike in call volume; for example, immediately following a public service announcement). The network must also link to the Veterans Crisis Line and to the Spanish language sub-network.
- Manage and facilitate timely, ongoing communication with existing networked crisis centers. These communications should include the provision of performance data as part of ongoing efforts to minimize wait times and maximize call connectivity with local crisis centers.
- Identify and conduct outreach activities targeted to crisis centers that might potentially join the network, especially those centers in underserved areas; those with specialized services focused on populations at high risk for suicidal behaviors (e.g., tribal communities, military service members/veterans, survivors of suicide attempts); and/or those that can strengthen Lifeline sub-networks (e.g., Spanish sub-network, chat and text sub-networks).
- Collaborate with centers to: implement the Lifeline's Callers at Imminent Risk Guidelines and continue to utilize suicide risk assessment guidelines. Also must work with centers to ensure they have policies and procedures for supervising counselors and have access to effective training in caller engagement, suicide risk assessment, intervention, and linkage to appropriate services.
- Maintain, strengthen, and expand the chat and text sub-networks, through which internet and mobile technology provide access to crisis centers within the Lifeline network. This service will be provided during peak hours of the week, with the goal of becoming 24/7 with an effective surge capacity.

- Increase the number of crisis centers certified in providing phone, chat, and/or text suicide prevention services by a recognized body or agency.
- Maintain, manage, and facilitate communication within and among the Lifeline's Steering Committee, Consumer/Survivor Subcommittee, and Standards, Training and Practices Subcommittee. [NOTE: The Steering Committee provides the Lifeline grantee with expert guidance on issues that affect the network. The Consumer/Survivor Subcommittee provides input from consumers, including individuals who have attempted suicide in the past and family members who have lost a loved one to suicide, on issues such as network standards, training and practices, marketing materials/promotional campaigns, and evaluations of network coverage and caller demographics. The Standards, Training and Practices Subcommittee identifies and recommends essential standards and guidelines for network member center credentialing and quality service.]
- Continue to enhance and expand State, tribal, and campus access to Lifeline services, including working with SAMHSA's Garrett Lee Smith State, Tribal and Campus grantees, and national, regional, and state resources, such as the National Action Alliance for Suicide Prevention, the Suicide Prevention Resource Center, national behavioral health associations, and State behavioral health authorities.
- Encourage and support crisis centers that follow up with people at high risk for suicidal behaviors, including suicidal callers/chatters/texters, and suicidal persons being discharged from emergency departments and inpatient units.
- Enhance the ability of centers to meet the suicide prevention and crisis intervention needs of military service members (including the Reserve Component), veterans, and their families, working in collaboration with the Veterans Crisis Line in Canandaigua, New York.
- Collaborate with key stakeholders that will continuously inform, enhance and promote phone, chat, and texting best practices among networked crisis centers.
- Work with the SAMHSA contracted evaluator to enhance crisis center activities and practices including but not limited to risk assessment, imminent risk, follow up and other critical quality issues.
- Accurately collect, analyze, and report data to SAMHSA and the Lifeline network, including, but not limited to:
 - Telephone hotlines: call connectivity and wait time, call volume, call abandonment rates and basic trends in calls received; and
 - Online and mobile communication: chat and text abandonment rate, connectivity and wait times, chat and text volume, and basic trends in online

and mobile communication.

- Enhance and expand social networking and new media presence. Continue to monitor online, mobile and social media trends for new ways of reaching people at risk for suicidal behaviors.
- Assist with responding to individuals who write to the President or Vice President of the United States, communicating the potential for suicidal behavior.
- If the grantee is not the incumbent Lifeline provider, the grantee will be required to develop and implement a plan to address and ensure the coordination of an orderly transition of network services, activities, and materials both at the beginning and end of the grant period. The plan must be implemented in close collaboration with the incumbent.

2.2 Data Collection and Performance Measurement

All SAMHSA grantees are required to collect and report certain data so that SAMHSA can meet its obligations under the Government Performance and Modernization Act of 2010 (GPRA). You must document your ability to collect and report the required data in [“Section D: Performance Assessment and Data”](#) of your application. Grantees will be required to report on the following performance measures:

The number of people in the mental health and related workforce trained in mental health-related practices/activities that are consistent with the goals of the grant.

This information will be gathered using the Transformation Accountability System (TRAC), which can be found at <https://www.cmhs-gpra.samhsa.gov>, along with instructions for completing it. Hard copies are available in the application packages available by calling the SAMHSA’s Office of Communications at 1-877-SAMHSA7 [TDD: 1-800-487-4889.] Data will be collected quarterly after entry of annual goals. Data are to be entered into a web-based system supported by quarterly written fiscal reports and written annual reports. Technical assistance for the web-based data entry, fiscal and annual report generation is available.

Performance data will be reported to the public, the Office of Management and Budget (OMB) and Congress as part of SAMHSA’s budget request.

In addition to the TRAC measure, the grantee will be expected to collect and report to the GPO and Network, the following information on a monthly basis:

- For each telephone hotline (e.g., 800-273-TALK, the Spanish hotline, etc.): daily and hourly call volume; State from which call was received; crisis center to which call was routed; number of connected calls; number of dropped calls (call abandonment rates); number of rings before a call is answered; average duration of calls; connectivity performance of each networked crisis center; unique callers;

basic trends in calls received; and other measures as directed by the Government Project Officer (GPO).

- For online and mobile communication: chat and text abandonment rates; wait times; chat and text volume; basic trends in online and mobile communication; and other measures as directed by the GPO.

In addition, the grantee is required to establish a complaint procedure for addressing concerns raised by service recipients. The applicants must notify the GPO within 24 hours of receiving a complaint and also must report the outcomes of any actions taken.

2.3 Performance Assessment

Grantees must periodically review the performance data they report to SAMHSA (as required above) and assess their progress and use this information to improve management of their grant projects. The assessment should be designed to help you determine whether you are achieving the goals, objectives and outcomes you intend to achieve and whether adjustments need to be made to your project. You will be required to report on your progress achieved, barriers encountered, and efforts to overcome these barriers in a performance assessment report to be submitted at least annually. The performance assessment report should be included in your annual report. If performance problems are identified, the GPO may direct the grantee to conduct more frequent assessments.

At a minimum, your performance assessment should include the required performance measures identified above. You may also consider outcome and process questions, such as the following:

Outcome Questions:

- What was the effect of improving access to crisis intervention services and promoting a consistent and evidence-based approach to hotline services throughout the network?
- What program or contextual factors were associated with outcomes?
- How durable were the effects?

Process Questions:

- How closely did implementation match the plan?
- What types of changes were made to the originally proposed plan?
- What led to the changes in the original plan?
- What effect did the changes have on the planned intervention and performance assessment?

- Who provided (program staff) what services (modality, type, intensity, duration), to whom (individual characteristics), in what context (system, community), and at what cost (facilities, personnel, dollars)?

No more than 20% of the total grant award may be used for data collection, performance measurement, and performance assessment, e.g., activities required in Sections I-2.2 and 2.3 above.

2.4 Grantee Meetings

The Lifeline Project Director must attend an initial meeting with the SAMHSA GPO and other Federal staff involved with Federal suicide prevention efforts to discuss and clarify roles, responsibilities, project activities, and timelines. This meeting will take place at SAMHSA headquarters in Rockville, MD, and will be held shortly after the cooperative agreement begins. Meetings of key Lifeline staff and the SAMHSA GPO will be held at least annually. The Lifeline Project Director will meet at least bi-weekly with the GPO, primarily by telephone.

II. AWARD INFORMATION

Proposed budgets cannot exceed \$3.7 million in total costs (direct and indirect) in any year of the proposed project. Annual continuation awards will depend on the availability of funds, grantee progress in meeting project goals and objectives, timely submission of required data and reports, and compliance with all terms and conditions of award.

These awards will be made as cooperative agreements.

Cooperative Agreement

These awards are being made as cooperative agreements because they require substantial post-award Federal programmatic participation in the conduct of the project. Under this cooperative agreement, the roles and responsibilities of grantees and SAMHSA staff are:

Role of Grantee:

- Seek SAMHSA approval for key positions to be filled. Key positions include project director; associate project director; director of standards, training, and practices; and director of information technology.
- Seek SAMHSA approval of hotline, chat, and text networking systems prior to implementation and accept SAMHSA proposed modifications.
- Consult with and accept guidance from SAMHSA staff on performance of activities to achieve goals of the cooperative agreement.

- Report connectivity data electronically on calls, chats, and text received throughout the Network to SAMHSA on a weekly basis.
- Respond to requests for information from SAMHSA.
- Manage the multiple SAMHSA toll-free telephone numbers through the end of the cooperative agreement period and relinquish control of the telephone numbers to SAMHSA or to another organization, if required.
- Manage the Lifeline web site, chat platform, mobile communication system, and social media sites through the end of the cooperative agreement period and relinquish control of the platform, system, and social media sites to SAMHSA or another organization, if required.
- Coordinate with SAMHSA's Suicide Prevention Branch to rapidly follow up on letters or e-mails to the White House or other Federal officials that communicate suicide risk.
- Role of SAMHSA Staff:
- Maintain overall responsibility for monitoring the implementation and progress of the suicide prevention hotline, chat, and text network systems.
- Approve proposed key positions/personnel.
- Review proposed networking system and request modifications as necessary that are appropriate and consistent with SAMHSA priorities.
- Provide guidance and technical assistance on all key network issues and requirements.
- Provide guidance on recruitment of new crisis centers in the network to ensure, to the extent possible, that at least one crisis center per State is participating.
- Approve data collection plans and institute policies regarding data collection.
- Coordinate with Lifeline staff to rapidly follow up on letters or e-mails to the White House or other federal officials that communicate suicide risk.
- Provide technical assistance on sustainability and dissemination of database resources.
- Make recommendations regarding continued funding.

III. ELIGIBILITY INFORMATION

1. ELIGIBLE APPLICANTS

Eligible applicants are domestic public and private nonprofit entities. For example:

- State and local governments
- Federally recognized American Indian/Alaska Native (AI/AN) Tribes and tribal organizations
- Urban Indian organizations
- Public or private universities and colleges
- Community- and faith-based organizations

Tribal organization means the recognized body of any AI/AN Tribe; any legally established organization of American Indians/Alaska Natives which is controlled, sanctioned, or chartered by such governing body or which is democratically elected by the adult members of the Indian community to be served by such organization and which includes the maximum participation of American Indians/Alaska Natives in all phases of its activities. Consortia of Tribes or tribal organizations are eligible to apply, but each participating entity must indicate its approval.

The statutory authority for this program prohibits grants to for-profit agencies.

2. COST SHARING and MATCH REQUIREMENTS

Cost sharing/match are not required in this program.

3. OTHER

You must comply with the following three requirements, or your application will be screened out and will not be reviewed: 1) use of the SF-424 Application form; Budget Information form SF-424A; Project/Performance Site Location(s) form; Disclosure of Lobbying Activities, if applicable; and Checklist. 2) application submission requirements in [Section IV-3](#) of this document; and 3) formatting requirements provided in [Appendix A](#) of this document.

IV. APPLICATION AND SUBMISSION INFORMATION

1. ADDRESS TO REQUEST APPLICATION PACKAGE

You may request a complete application package from SAMHSA at 1-877-SAMHSA7 [TDD: 1-800-487-4889].

You also may download the required documents from the SAMHSA Web site at <http://www.samhsa.gov/grants/apply.aspx>.

Additional materials available on this Web site include:

- a grant writing technical assistance manual for potential applicants;
- standard terms and conditions for SAMHSA grants;
- guidelines and policies that relate to SAMHSA grants (e.g., guidelines on cultural competence, consumer and family participation, and evaluation); and
- a list of certifications and assurances referenced in item 21 of the SF-424.

2. CONTENT AND GRANT APPLICATION SUBMISSION

2.1 Application Package

A complete list of documents included in the application package is available at <http://www.samhsa.gov/Grants/ApplicationKit.aspx>. This includes:

- The Face Page (SF-424); Budget Information form (SF-424A); Project/Performance Site Location(s) form; Disclosure of Lobbying Activities, if applicable; and Checklist. **Applications that do not include the required forms will be screened out and will not be reviewed.**
- Request for Applications (RFA) – Provides a description of the program, specific information about the availability of funds, and instructions for completing the grant application. This document is the RFA. The RFA will be available on the SAMHSA Web site (<http://www.samhsa.gov/grants/index.aspx>) and a synopsis of the RFA is available on the Federal grants Web site (<http://www.Grants.gov>).

You must use all of the above documents in completing your application.

2.2 Required Application Components

Applications must include the following 12 required application components:

- **Face Page** – SF-424 is the face page. [Note: Applicants must provide a Dun and Bradstreet (DUNS) number to apply for a grant or cooperative agreement from the Federal Government. SAMHSA applicants are required to provide their DUNS number on the face page of the application. Obtaining a DUNS number is easy and there is no charge. To obtain a DUNS number, access the Dun and Bradstreet Web site at <http://www.dunandbradstreet.com> or call 1-866-705-5711. To expedite the process, let Dun and Bradstreet know that you are a public/private nonprofit organization getting ready to submit a Federal grant application. In addition, you must be registered in the Central Contractor Registration (CCR) prior to submitting an application and maintain an active

CCR registration during the grant funding period. **REMINDER: CCR registration expires each year and must be updated annually. It can take 24 hours or more for updates to take effect, so check for active registration well before your grant deadline. Grants.gov will not accept your application if you do not have current CCR registration. If you do not have an active CCR registration prior to submitting your paper application, it will be screened out and returned to you without review. The DUNS number you use on your application must be registered and active in the CCR. You can view your CCR registration status at <http://www.bpn.gov/CCRSearch/Search.aspx> and search by your organization's DUNS number. Additional information on the Central Contractor Registration (CCR) is available at <https://www.bpn.gov/ccr/default.aspx>].**

- **Abstract** – Your total abstract must not be longer than 35 lines. It should include the project name, population to be served (demographics and clinical characteristics), strategies/interventions, project goals and measurable objectives, including the number of people to be served annually and throughout the lifetime of the project, etc. In the first five lines or less of your abstract, write a summary of your project that can be used, if your project is funded, in publications, reporting to Congress, or press releases.
- **Table of Contents** – Include page numbers for each of the major sections of your application and for each attachment.
- **Budget Information Form** – Use SF-424A. Fill out Sections B, C, and E of the SF-424A. A sample budget and justification is included in [Appendix H](#) of this document.
- **Project Narrative and Supporting Documentation** – The Project Narrative describes your project. It consists of Sections A through D. Sections A-D together may not be longer than 30 pages. (Remember that if your Project Narrative starts on page 5 and ends on page 35, it is 31 pages long, not 30 pages.) More detailed instructions for completing each section of the Project Narrative are provided in “Section V – Application Review Information” of this document.

The Supporting Documentation provides additional information necessary for the review of your application. This supporting documentation should be provided immediately following your Project Narrative in Sections E through H. There are no page limits for these sections, except for Section G, Biographical Sketches/Job Descriptions. Additional instructions for completing these sections are included in Section V under “Supporting Documentation.” Supporting documentation should be submitted in black and white (no color).

- **Attachments 1 through 4**– Use only the attachments listed below. If your application includes any attachments not required in this document, they will be

disregarded. Do not use more than a total of 30 pages for Attachments 1, 3 and 4 combined. There are no page limitations for Attachments 2 and 5. Do not use attachments to extend or replace any of the sections of the Project Narrative. Reviewers will not consider them if you do. Please label the attachments as: Attachment 1, Attachment 2, etc.

- *Attachment 1:* Letters of Commitment and Support
- *Attachment 2:* Data Collection Instruments/Interview Protocols – if you are using standardized data collection instruments/interview protocols, you do not need to include these in your application. Instead, provide a Web link to the appropriate instrument/protocol. If the data collection instrument(s) or interview protocol(s) is/are not standardized, you must include a copy in Attachment 2.
- *Attachment 3:* Sample Consent Forms
- *Attachment 4:* Letter to the SSA (if applicable; see Section IV-4 of this document)
- **Project/Performance Site Location(s) Form** – The purpose of this form is to collect location information on the site(s) where work funded under this grant announcement will be performed. This form will be posted on SAMHSA’s Web site with the RFA and provided in the application package.
- **Assurances** – Non-Construction Programs. You must read the list of assurances provided on the SAMHSA Web site **and check the box marked ‘I Agree’** before signing the face page (SF-424) of the application.
- **Certifications** – You must read the list of certifications provided on the SAMHSA Web site **and check the box marked ‘I Agree’** before signing the face page (SF-424) of the application.
- **Disclosure of Lobbying Activities** – Federal law prohibits the use of appropriated funds for publicity or propaganda purposes or for the preparation, distribution, or use of the information designed to support or defeat legislation pending before the Congress or State legislatures. This includes “grass roots” lobbying, which consists of appeals to members of the public suggesting that they contact their elected representatives to indicate their support for or opposition to pending legislation or to urge those representatives to vote in a particular way. You must sign and submit this form, if applicable.
- **Checklist** – The Checklist ensures that you have obtained the proper signatures, assurances and certifications. If you are submitting a paper application, the Checklist should be the last page.
- **Documentation of nonprofit status** as required in the Checklist.

2.3 Application Formatting Requirements

Please refer to [Appendix A](#), *Checklist for Formatting Requirements and Screen Out Criteria for SAMHSA Grant Applications*, for SAMHSA's basic application formatting requirements. Applications that do not comply with these requirements will be screened out and will not be reviewed.

3. APPLICATION SUBMISSION REQUIREMENTS

Applications are due by **May 25, 2012**. SAMHSA provides two options for submission of grant applications: 1) electronic submission, or 2) paper submission. You are encouraged to apply electronically. Hard copy applications are due by **5:00 PM** (Eastern Time). Electronic applications are due by **11:59 PM** (Eastern Time). **Applications may be shipped using only Federal Express (FedEx), United Parcel Service (UPS), or the United States Postal Service (USPS)**. You will be notified by postal mail that your application has been received.

Note: If you use the USPS, you must use Express Mail.

SAMHSA will not accept or consider any applications that are hand carried or sent by facsimile.

Submission of Electronic Applications

If you plan to submit electronically through Grants.gov it is very important that you read thoroughly the application information provided in [Appendix B](#), "Guidance for Electronic Submission of Applications."

Submission of Paper Applications

If you are submitting a paper application, you must submit an original application and 2 copies (including attachments). The original and copies must not be bound and nothing should be attached, stapled, folded, or pasted. Do not use staples, paper clips, or fasteners. You may use rubber bands.

Send applications to the address below:

For United States Postal Service:

Diane Abbate, Director of Grant Review
Office of Financial Resources
Substance Abuse and Mental Health Services Administration
Room 3-1044
1 Choke Cherry Road
Rockville, MD **20857**
Change the zip code to **20850** if you are using FedEx or UPS.

Do not send applications to other agency contacts, as this could delay receipt. Be sure to include “**The Lifeline RFA # SM-12-004**” in item number 12 on the face page (SF-424) of any paper applications. If you require a phone number for delivery, you may use (240) 276-1199.

Your application must be received by the application deadline or it will not be considered for review. Please remember that mail sent to Federal facilities undergoes a security screening prior to delivery. You are responsible for ensuring that you submit your application so that it will arrive by the application due date and time.

If an application is mailed to a location or office (including room number) that is not designated for receipt of the application and, as a result, the designated office does not receive your application by the deadline, your application will be considered late and ineligible for review.

SAMHSA accepts electronic submission of applications through <http://www.Grants.gov>. Please refer to [Appendix B](#) for “Guidance for Electronic Submission of Applications.”

4. INTERGOVERNMENTAL REVIEW (E.O. 12372) REQUIREMENTS

This grant program is covered under Executive Order (EO) 12372, as implemented through Department of Health and Human Services (DHHS) regulation at 45 CFR Part 100. Under this Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs. See [Appendix C](#) for additional information on these requirements as well as requirements for the Public Health Impact Statement.

5. FUNDING LIMITATIONS/RESTRICTIONS

Cost principles describing allowable and unallowable expenditures for Federal grantees, including SAMHSA grantees, are provided in the following documents, which are available at <http://www.samhsa.gov/grants/management.aspx>:

- Educational Institutions: 2 CFR Part 220 and OMB Circular A-21
- State, Local and Indian Tribal Governments: 2 CFR Part 225 (OMB Circular A-87)
- Nonprofit Organizations: 2 CFR Part 230 (OMB Circular A-122)
- Hospitals: 45 CFR Part 74, Appendix E

In addition, SAMHSA’s Cooperative Agreement for Networking, Certifying, and Training Suicide Prevention Lifeline grant recipients must comply with the following funding restrictions:

- No more than 20% of the grant award may be used for data collection, performance measurement, and performance assessment expenses.

SAMHSA grantees must also comply with SAMHSA's standard funding restrictions, which are included in [Appendix D](#).

V. APPLICATION REVIEW INFORMATION

1. EVALUATION CRITERIA

The Project Narrative describes what you intend to do with your project and includes the Evaluation Criteria in Sections A-D below. Your application will be reviewed and scored according to the quality of your response to the requirements in Sections A-D.

- In developing the Project Narrative section of your application, use these instructions, which have been tailored to this program.
- The Project Narrative (Sections A-D) together may be no longer than 30 pages.
- You must use the four sections/headings listed below in developing your Project Narrative. You must place the required information in the correct section, **or it will not be considered**. Your application will be scored according to how well you address the requirements for each section of the Project Narrative.
- Reviewers will be looking for evidence of cultural competence in each section of the Project Narrative, and will consider how well you address the cultural competence aspects of the evaluation criteria when scoring your application. SAMHSA's guidelines for cultural competence can be found on the SAMHSA Web site at <http://www.samhsa.gov/grants/apply.aspx> at the bottom of the page under "Resources for Grant Writing."
- The Supporting Documentation you provide in Sections E-H and Attachments 1-4 will be considered by reviewers in assessing your response, along with the material in the Project Narrative.
- The number of points after each heading is the maximum number of points a review committee may assign to that section of your Project Narrative. Although scoring weights are not assigned to individual bullets, each bullet is assessed in deriving the overall Section score.

Section A: Statement of Need (10 points)

- Describe the target population include demographics; issues of language, beliefs, norms and values; socioeconomic factors; historic use of hotline services; and the number of people that could be potentially served through the Lifeline.
- Document the need for an enhanced infrastructure to increase the capacity to strengthen, sustain, and improve effective suicide prevention and mental health services provided by the Lifeline and the Network. Provide sufficient information on how the data were collected so reviewers can assess the reliability and

validity of the data. Documentation of need may come from a variety of qualitative and quantitative sources. The quantitative data could come from local epidemiologic data, State data (e.g., from State Needs Assessments, SAMHSA's National Survey on Drug Use and Health), and/or national data (e.g., from SAMHSA's National Survey on Drug Use and Health or from National Center for Health Statistics/Centers for Disease Control reports).

- Describe the service gaps, barriers, and other problems related to ensuring that the Lifeline reaches all States by including at least one crisis center in each State. Describe the resources in the target area that can help implement the needed infrastructure development and improve coordination and referral between the NSPL and other services, e.g., mental health, substance abuse, social services, etc.

Section B: Proposed Approach (35 points)

- Describe the purpose of the proposed project, including a clear statement of its goals and objectives. These must relate to the performance measures you identify in Section D, Performance Assessment and Data. Describe how achievement of goals will increase system capacity to support effective suicide prevention and mental health services.
- Describe how you will carry out each of the 15 activities listed in Section I- 2.1. Describe how the required activities meet the goals and objectives of the grant program.
- Provide a chart or graph depicting a realistic time line for the entire project period showing key activities, milestones, and responsible staff. [Note: The time line should be part of the Project Narrative. It should not be placed in an attachment.]
- Describe the membership, roles and functions, and frequency of meetings of the Suicide Lifelines Committees.
- Describe any other organizations that will participate and their roles and responsibilities. Demonstrate their commitment to the project. Include letters of commitment and support from these community organizations in **Attachment 1** of your application.
- Describe how the proposed project will address the following issues:
 - Demographics – race, ethnicity, religion, gender, age, geography, and socioeconomic status;
 - Language and literacy;
 - Sexual identity – sexual orientation and gender identity; and

- Disability.
- Describe how members of the population(s) to receive services (including those who have attempted suicide and family members who have lost a loved one to suicide), were involved in the preparation of the application, and how they will participate meaningfully in the planning, implementation, and performance assessment of the project.
- Describe the potential barriers to successful conduct of the proposed project and how you will overcome them.
- Describe how your activities will improve suicide prevention, crisis intervention, and mental health services.
- Describe how program continuity will be maintained when there is a change in the operational environment (e.g., staff turnover, change in project leadership) to ensure stability over time.

Section C: Staff, Management, and Relevant Experience (25 points)

- Discuss the capability and experience of the applicant organization and other participating organizations with similar projects that are national in scope (e.g., projects involving suicide hotlines and crisis centers) and populations, including experience in providing culturally appropriate/competent services.
- Provide a complete list of staff positions for the project, including the Project Director and other key personnel, showing the role of each and their level of effort and qualifications.
- Discuss how key staff have demonstrated experience and are qualified to serve the population(s) to receive services and are familiar with their culture(s) and language(s).
- Describe the resources available for the proposed project (e.g., facilities, equipment).

Section D: Performance Assessment and Data (30 points)

- Document your ability to collect and report on the required performance measures as specified in Section I-2.2 of this RFA. Describe your plan for data collection, management, analysis and reporting. Specify and justify any additional measures you plan to use for your grant project.
- Describe how data will be used to manage the project and assure continuous quality improvement, including consideration of disparate outcomes for different racial/ethnic groups. Describe how information related to process and outcomes will be routinely communicated to program staff.

- Describe your plan for conducting the performance assessment as specified in Section I-2.3 of this RFA and document your ability to conduct the assessment.

NOTE: Although the budget for the proposed project is not a scored review criterion, the Review Group will be asked to comment on the appropriateness of the budget after the merits of the application have been considered.

SUPPORTING DOCUMENTATION

Section E: Literature Citations. This section must contain complete citations, including titles and all authors, for any literature you cite in your application.

Section F: Budget Justification, Existing Resources, Other Support. You must provide a narrative justification of the items included in your proposed budget, as well as a description of existing resources and other support you expect to receive for the proposed project. Be sure to show that no more than 20% of the total grant award will be used for data collection, performance measurement, and performance assessment. **Specifically identify the items associated with these costs in your budget.** An illustration of a budget and narrative justification is included in [Appendix H](#) of this document.

Section G: Biographical Sketches and Job Descriptions.

- Include a biographical sketch for the Project Director and other key positions. Each sketch should be 2 pages or less. If the person has not been hired, include a position description and/or a letter of commitment with a current biographical sketch from the individual.
- Include job descriptions for key personnel. Job descriptions should be no longer than 1 page each.
- Information on what you should include in your biographical sketches and job descriptions can be found in [Appendix G](#) of this document.

Section H: Confidentiality and SAMHSA Participant Protection/Human Subjects: You must describe procedures relating to Confidentiality, Participant Protection and the Protection of Human Subjects Regulations in Section H of your application. See [Appendix I](#) for guidelines on these requirements.

2. REVIEW AND SELECTION PROCESS

SAMHSA applications are peer-reviewed according to the evaluation criteria listed above.

Decisions to fund a grant are based on:

- the strengths and weaknesses of the application as identified by peer reviewers;

- when the individual award is over \$150,000, approval by the Center for Mental Health Services' National Advisory Council; and
- availability of funds.

VI. ADMINISTRATION INFORMATION

1. AWARD NOTICES

You will receive a letter from SAMHSA through postal mail that describes the general results of the review of your application, including the score that your application received.

If you are approved for funding, you will receive an **additional** notice through postal mail, the Notice of Award (NoA), signed by SAMHSA's Grants Management Officer. The Notice of Award is the sole obligating document that allows you to receive Federal funding for work on the grant project.

If you are not funded, you will receive notification from SAMHSA.

2. ADMINISTRATIVE AND NATIONAL POLICY REQUIREMENTS

- If your application is funded, you must comply with all terms and conditions of the grant award. SAMHSA's standard terms and conditions are available on the SAMHSA Web site at <http://www.samhsa.gov/grants/management.aspx>.
- If your application is funded, you must also comply with the administrative requirements outlined in 45 CFR Part 74 or 45 CFR Part 92, as appropriate. For more information see the SAMHSA Web site (<http://www.samhsa.gov/grants/management.aspx>).
- Depending on the nature of the specific funding opportunity and/or your proposed project as identified during review, SAMHSA may negotiate additional terms and conditions with you prior to grant award. These may include, for example:
 - actions required to be in compliance with confidentiality and participant protection/human subjects requirements;
 - requirements relating to additional data collection and reporting;
 - requirements relating to participation in a cross-site evaluation;
 - requirements to address problems identified in review of the application;
 - revised budget and narrative justification; or

- requirements related to managing the multiple toll-free telephone numbers operated by SAMHSA.
- If your application is funded, you will be held accountable for the information provided in the application relating to performance targets. SAMHSA program officials will consider your progress in meeting goals and objectives, as well as your failures and strategies for overcoming them, when making an annual recommendation to continue the grant and the amount of any continuation award. Failure to meet stated goals and objectives may result in suspension or termination of the grant award, or in reduction or withholding of continuation awards.
- Grant funds cannot be used to supplant current funding of existing activities. “Supplant” is defined as replacing funding of a recipient’s existing program with funds from a Federal grant.
- In an effort to improve access to funding opportunities for applicants, SAMHSA is participating in the U.S. Department of Health and Human Services “Survey on Ensuring Equal Opportunity for Applicants.” This survey is included in the application package for SAMHSA grants and is posted on the SAMHSA Web site at <http://www.samhsa.gov/grants/downloads/SurveyEnsuringEqualOpp.pdf>. You are encouraged to complete the survey and return it, using the instructions provided on the survey form.

3. REPORTING REQUIREMENTS

In addition to the data reporting requirements listed in [Section I-2.2](#), grantees must comply with the reporting requirements listed on the SAMHSA Web site at <http://www.samhsa.gov/grants/applicationkit.aspx>. You will be provided with additional Prevention and Public Health Funds (PPHF-2012) reporting requirements at the time of award.

VII. AGENCY CONTACTS

For questions about program issues contact:

James Wright, MS, LCPC
 Suicide Prevention Branch, Division of Prevention, Traumatic Stress
 and Special Programs
 Center for Mental Health Services
 Substance Abuse and Mental Health Services Administration
 1 Choke Cherry Road, Room 6-1002
 Rockville, MD 20857
 (240) 276-1854
James.wright@samhsa.hhs.gov

For questions on grants management and budget issues contact:

Gwendolyn Simpson
Office of Financial Resources, Division of Grants Management
Substance Abuse and Mental Health Services Administration
1 Choke Cherry Road
Room 7-1085
Rockville, Maryland 20857
(240) 276-1408
gwendolyn.simpson@samhsa.hhs.gov

Appendix A – Checklist for Formatting Requirements and Screen Out Criteria for SAMHSA Grant Applications

*SAMHSA's goal is to review all applications submitted for grant funding. However, this goal must be balanced against SAMHSA's obligation to ensure equitable treatment of applications. For this reason, SAMHSA has established certain formatting requirements for its applications. **If you do not adhere to these requirements, your application will be screened out and returned to you without review.***

- Use the SF-424 Application form; Budget Information form SF-424A; Project/Performance Site Location(s) form; Disclosure of Lobbying Activities, if applicable; and Checklist.
- Applications must be received by the application due date and time, as detailed in Section [IV-3](#) of this grant announcement.
- You must be registered in the Central Contractor Registration (CCR) prior to submitting your application. The DUNS number used on your application must be registered and active in the CCR prior to submitting your application.
- Information provided must be sufficient for review.
- Text must be legible. Pages must be typed in black ink, single-spaced, using a font of Times New Roman 12, with all margins (left, right, top, bottom) at least one inch each.
- (For Project Narratives submitted electronically, see separate requirements in [Appendix B, "Guidance for Electronic Submission of Applications."](#))
- To ensure equity among applications, page limits for the Project Narrative cannot be exceeded.
- Paper must be white paper and 8.5 inches by 11.0 inches in size.

To facilitate review of your application, follow these additional guidelines. Failure to adhere to the following guidelines will not, in itself, result in your application being screened out and returned without review. However, the information provided in your application must be sufficient for review. Following these guidelines will help ensure your application is complete, and will help reviewers to consider your application.

- If you are submitting a paper application, the application components required for SAMHSA applications should be submitted in the following order:
 - Face Page (SF-424)
 - Abstract

- Table of Contents
- Budget Information Form (SF-424A)
- Project Narrative and Supporting Documentation
- Attachments
- Project/Performance Site Location(s) Form
- Disclosure of Lobbying Activities (Standard Form LLL, if applicable)
- Checklist
- Documentation of nonprofit status as required in the Checklist
- Applications should comply with the following requirements:
 - Provisions relating to confidentiality and participant protection specified in [Appendix I](#) of this announcement.
 - Budgetary limitations as specified in Sections I, II, and IV-5 of this announcement.
 - Documentation of nonprofit status as required in the Checklist.
- Black ink should be used throughout your application, including charts and graphs. Pages should be typed single-spaced with one column per page. Pages should not have printing on both sides.
- Pages should be numbered consecutively from beginning to end so that information can be located easily during review of the application. The abstract page should be page 1, the table of contents should be page 2, etc. The four pages of SF-424 are not to be numbered. Attachments should be labeled and separated from the Project Narrative and budget section, and the pages should be numbered to continue the sequence.
- The page limits for Attachments stated in Section IV-2.2 of this announcement should not be exceeded.
- Send the original application and two copies to the mailing address in Section IV-3 of this document. Please do not use staples, paper clips, and fasteners. Nothing should be attached, stapled, folded, or pasted. You may use rubber bands. Do not use heavy or lightweight paper or any material that cannot be copied using automatic copying machines. Odd-sized and oversized attachments such as posters will not be copied or sent to reviewers. Do not include videotapes, audiotapes, or CD-ROMs.

Appendix B – Guidance for Electronic Submission of Applications

If you would like to submit your application electronically, you may search <http://www.Grants.gov> for the downloadable application package by the funding announcement number (called the opportunity number) or by the Catalogue of Federal Domestic Assistance (CFDA) number. You can find the CFDA number on the first page of the funding announcement.

You must follow the instructions in the User Guide available at the <http://www.Grants.gov> apply site, on the Help page. In addition to the User Guide, you may wish to use the following sources for technical (IT) help:

- By e-mail: support@Grants.gov
- By phone: 1-800-518-4726 (1-800-518-GRANTS). The Grants.gov Contact Center is available 24 hours a day, 7 days a week, excluding Federal holidays.

If this is the first time you have submitted an application through Grants.gov, you must complete three separate registration processes before you can submit your application. Allow at least two weeks (10 business days) for these registration processes, prior to submitting your application. The processes are: 1) DUNS Number registration; 2) Central Contractor Registry (CCR) registration; and 3) Grants.gov registration (Get username and password.). REMINDER: CCR registration expires each year and must be updated annually. It can take 24 hours or more for updates to take effect, so check for active registration well before your grant deadline. Grants.gov will not accept your application if you do not have active CCR registration. The DUNS number you use on your application must be registered and active in the CCR. You can view your CCR registration status at <https://www.bpn.gov/CCRSearch/Search.aspx> and search by your organization's DUNS number. Additional information on the Central Contractor Registration (CCR) is available at <https://www.bpn.gov/ccr/default.aspx>. Be sure the person submitting your application is properly registered with Grants.gov as the Authorized Organization Representative (AOR) for the specific DUNS number cited on the SF-424 (face page). See the Organization Registration User Guide for details at the following Grants.gov link: http://www.grants.gov/applicants/get_registered.jsp.

Please also allow sufficient time for enter your application into Grants.gov. When you submit your application you will receive a notice that your application is being processed and that you will receive two e-mails from Grants.gov. within the next 24-48 hours. One will confirm receipt of the application in Grants.gov and the other will indicate that the application was either successfully validated by the system (with a tracking number) or rejected due to errors. It will also provide instructions that if you do not receive a receipt confirmation **and** a validation confirmation or a rejection e-mail within 48 hours, you must contact Grants.gov directly. Please note that it is incumbent on the applicant to monitor their application to ensure that it is successfully received and validated by

Grants.gov. **If your application is not successfully validated by Grants.gov it will not be forwarded to SAMHSA as the receiving institution.**

It is strongly recommended that you prepare your Project Narrative and other attached documents using Microsoft Office 2007 products (e.g., Microsoft Word 2007, Microsoft Excel 2007, etc.). If you do not have access to Microsoft Office 2007 products, you may submit PDF files. Directions for creating PDF files can be found on the Grants.gov Web site. Use of file formats other than Microsoft Office 2007 or PDF may result in your file being unreadable by our staff.

The Abstract, Table of Contents, Project Narrative, Supporting Documentation, Budget Justification, and Attachments must be combined into 4 separate files in the electronic submission. **If the number of files exceeds 4, the electronic application will not convey properly to SAMHSA.**

Formatting requirements for SAMHSA e-Grant application files are as follows:

- Project Narrative File (PNF): The PNF consists of the Abstract, Table of Contents, and Project Narrative (Sections A-D) in this order and numbered consecutively.
- Budget Narrative File (BNF): The BNF consists of only the budget justification narrative.
- Other Attachment File 1: The first Other Attachment file will consist of the Supporting Documentation (Sections E-H) in this order and lettered consecutively.
- Other Attachment File 2: The second Other Attachment file will consist of the Attachments (Attachments 1-4) in this order and numbered consecutively.

Scanned images must be scanned at 75 dpi/ppi resolution and saved as a jpeg or pdf file. Using a higher resolution setting or different file type could result in a rejection of application.

Formatting requirements for SAMHSA grant applications are described in Appendix A of this announcement. These requirements also apply to applications submitted electronically, with the following exceptions only for Project Narratives submitted electronically in Microsoft Word. These requirements help ensure the accurate transmission and equitable treatment of applications.

- Text legibility: Use a font of Times New Roman 12, line spacing of single space, and all margins (left, right, top, bottom) of at least one inch each. Adhering to these standards will help to ensure the accurate transmission of your document.
- Amount of space allowed for Project Narrative: The Project Narrative for an electronic submission may not exceed 15,450 words. If the Project Narrative for

an electronic submission exceeds the word limit, the application will be screened out and will not be reviewed. To determine the number of words in your Project Narrative document in Microsoft Word, select file/properties/statistics.

Be sure to scan all images at 75 dpi and save as a jpeg or pdf file. Also, be sure to label each file according to its contents, e.g., "Project Narrative", "Budget Narrative", "Other Attachment 1", and "Other Attachment 2". **If the number of files exceeds the 4 allowable files, the electronic application will not convey properly to SAMHSA.**

With the exception of standard forms in the application package, all pages in your application should be numbered consecutively. **Documents containing scanned images must also contain page numbers to continue the sequence.** Failure to comply with these requirements may affect the successful transmission and consideration of your application.

Applicants are strongly encouraged to submit their applications to Grants.gov early enough to resolve any unanticipated difficulties prior to the deadline. After you electronically submit your application, you will receive an automatic acknowledgement from Grants.gov that contains a Grants.gov tracking number. It is important that you retain this number. **Receipt of the tracking number is the only indication that Grants.gov has successfully received and validated your application. If you do not receive a Grants.gov tracking number, you may want to contact the Grants.gov help desk for assistance.**

Appendix C – Intergovernmental Review (E.O. 12373) Requirements

This grant program is covered under Executive Order (EO) 12372, as implemented through Department of Health and Human Services (DHHS) regulation at 45 CFR Part 100. Under this Order, States may design their own processes for reviewing and commenting on proposed Federal assistance under covered programs. Certain jurisdictions have elected to participate in the EO process and have established State Single Points of Contact (SPOCs). A current listing of SPOCs is included in the application package and can be downloaded from the Office of Management and Budget (OMB) Web site at http://www.whitehouse.gov/omb/grants_spoc.

- Check the list to determine whether your State participates in this program. You do not need to do this if you are an American Indian/Alaska Native Tribe or tribal organization.
- If your State participates, contact your SPOC as early as possible to alert him/her to the prospective application(s) and to receive any necessary instructions on the State's review process.
- For proposed projects serving more than one State, you are advised to contact the SPOC of each affiliated State.
- The SPOC should send any State review process recommendations to the following address within 60 days of the application deadline. For United States Postal Service: Diane Abbate, Director of Grant Review, Office of Financial Resources, Substance Abuse and Mental Health Services Administration, Room 3-1044, 1 Choke Cherry Road, Rockville, MD 20857. ATTN: SPOC – Funding Announcement No. **SM-12-004**. Change the zip code to 20850 if you are using another delivery service.

In addition, if you are a community-based, non-governmental service provider and you are not transmitting your application through the State, you must submit a Public Health System Impact Statement (PHSIS)¹ to the head(s) of appropriate State and local health agencies in the area(s) to be affected no later than the application deadline. The PHSIS is intended to keep State and local health officials informed of proposed health services

¹ Approved by OMB under control no. 0920-0428; Public reporting burden for the Public Health System Reporting Requirement is estimated to average 10 minutes per response, including the time for copying the face page of SF-424 and the abstract and preparing the letter for mailing. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0920-0428. Send comments regarding this burden to CDC Clearance Officer, 1600 Clifton Road, MS D-24, Atlanta, GA 30333, ATTN: PRA (0920-0428).

grant applications submitted by community-based, non-governmental organizations within their jurisdictions. If you are a State or local government or American Indian/Alaska Native Tribe or tribal organization, you are not subject to these requirements.

The PHSIS consists of the following information:

- a copy of the face page of the application (SF-424); and
- a summary of the project, no longer than one page in length, that provides: 1) a description of the population to be served; 2) a summary of the services to be provided; and 3) a description of the coordination planned with appropriate State or local health agencies.

For SAMHSA grants, the appropriate State agencies are the Single State Agencies (SSAs) for substance abuse and mental health. A listing of the SSAs for substance abuse can be found on SAMHSA's Web site at <http://www.samhsa.gov>. A listing of the SSAs for mental health can be found on SAMHSA's Web site at <http://www.samhsa.gov/grants/SSAdirectory-MH.pdf>. If the proposed project falls within the jurisdiction of more than one State, you should notify all representative SSAs.

If applicable, you must include a copy of a letter transmitting the PHSIS to the SSA in **Attachment 4, "Letter to the SSA."** The letter must notify the State that, if it wishes to comment on the proposal, its comments should be sent no later than 60 days after the application deadline to the following address. **For United States Postal Service:** Diane Abbate, Director of Grant Review, Office of Financial Resources, Substance Abuse and Mental Health Services Administration, Room 3-1044, 1 Choke Cherry Road, Rockville, MD **20857**. ATTN: SSA – Funding Announcement No. **SM-12-004**. Change the zip code to **20850** if you are using another delivery service.

In addition:

- Applicants may request that the SSA send them a copy of any State comments.
- The applicant must notify the SSA within 30 days of receipt of an award.

Appendix D – Funding Restrictions

SAMHSA grant funds must be used for purposes supported by the program and may not be used to:

- Pay for any lease beyond the project period.
- Provide services to incarcerated populations (defined as those persons in jail, prison, detention facilities, or in custody where they are not free to move about in the community).
- Pay for the purchase or construction of any building or structure to house any part of the program. (Applicants may request up to \$75,000 for renovations and alterations of existing facilities, if necessary and appropriate to the project.)
- Provide residential or outpatient treatment services when the facility has not yet been acquired, sited, approved, and met all requirements for human habitation and services provision. (Expansion or enhancement of existing residential services is permissible.)
- Pay for housing other than residential mental health and/or substance abuse treatment.
- Provide inpatient treatment or hospital-based detoxification services. Residential services are not considered to be inpatient or hospital-based services.
- Make direct payments to individuals to induce them to enter prevention or treatment services. However, SAMHSA discretionary grant funds may be used for non-clinical support services (e.g., bus tokens, child care) designed to improve access to and retention in prevention and treatment programs.
- Make direct payments to individuals to encourage attendance and/or attainment of prevention or treatment goals. However, SAMHSA discretionary grant funds may be used for non-cash incentives of up to \$20 to encourage attendance and/or attainment of prevention or treatment goals when the incentives are built into the program design and when the incentives are the minimum amount that is deemed necessary to meet program goals. SAMHSA policy allows an individual participant to receive more than one incentive over the course of the program. However, non-cash incentives should be limited to the minimum number of times deemed necessary to achieve program outcomes. A grantee or treatment or prevention provider may also provide up to \$20 cash or equivalent (coupons, bus tokens, gifts, child care, and vouchers) to individuals as incentives to participate in required data collection follow up. This amount may be paid for participation in each required interview.

- Food is generally unallowable unless it's an integral part of a conference grant or program specific, e.g., children's program, residential.
- Funds may not be used to distribute sterile needles or syringes for the hypodermic injection of any illegal drug.
- Pay for pharmacologies for HIV antiretroviral therapy, sexually transmitted diseases (STD)/sexually transmitted illnesses (STI), TB, and hepatitis B and C, or for psychotropic drugs.

SAMHSA will not accept a "research" indirect cost rate. The grantee must use the "other sponsored program rate" or the lowest rate available.

Appendix E – Sample Logic Model

A logic model is a tool to show how your proposed project links the purpose, goals, objectives, and tasks stated with the activities and expected outcomes or “change” and can help to plan, implement, and assess your project. The model also links the purpose, goals, objectives, and activities back into planning and evaluation. A logic model is a picture of your project. It graphically shows the activities and progression of the project. It should also describe the relationships among the resources you put in (inputs), the strategies you use, the infrastructure changes that occur, what takes place (outputs), and what happens or results (outcomes). Your logic model should form a logical chain of “if-then” relationships that enables you to demonstrate how you will get to your desired outcomes with your available resources. Because your logic model requires you to be specific about your intended outputs and outcomes, it can be a valuable resource in assessing the performance of your project by providing you with specific outputs (objectives) and outcomes (goals) that can be measured.

The graphic on the following page provides an example of a logic model that links the inputs to strategies, the strategies to infrastructure changes, the infrastructure changes to outputs, and the outputs to outcomes (goals).

Your logic model should be based on a review of your Statement of Need, in which you state the conditions that gave rise to the project with your target group. A properly targeted logic model will show a logical pathway from inputs to intended outcomes, in which the included outcomes address the needs identified in the Statement of Need.

Examples of **Inputs** depicted in the sample logic model include Federal policies, funding, and requirements; federally sponsored technical assistance; site-specific context items (e.g., populations; site characteristics, e.g., political and geographical; previous activities, policies, etc.; infrastructure, e.g., planning capability & other resources; pre-existing outcomes); and performance data.

Examples of **Strategies** depicted in the sample logic model that are developed as a result of these inputs include initial grant activities, e.g., formation of a steering committee, etc., which in turn leads to a needs assessment and inventory of resources (e.g., development process and conclusion). This in turn leads to a strategic plan (e.g., development process and content). Finally, these strategies result in change/project management mechanisms.

Examples of the **Infrastructure Changes** depicted in the sample logic model that result from the strategies discussed above include such things as policy changes, workforce training, financing changes, organizational changes, improved data collection and use, and changes to service delivery.

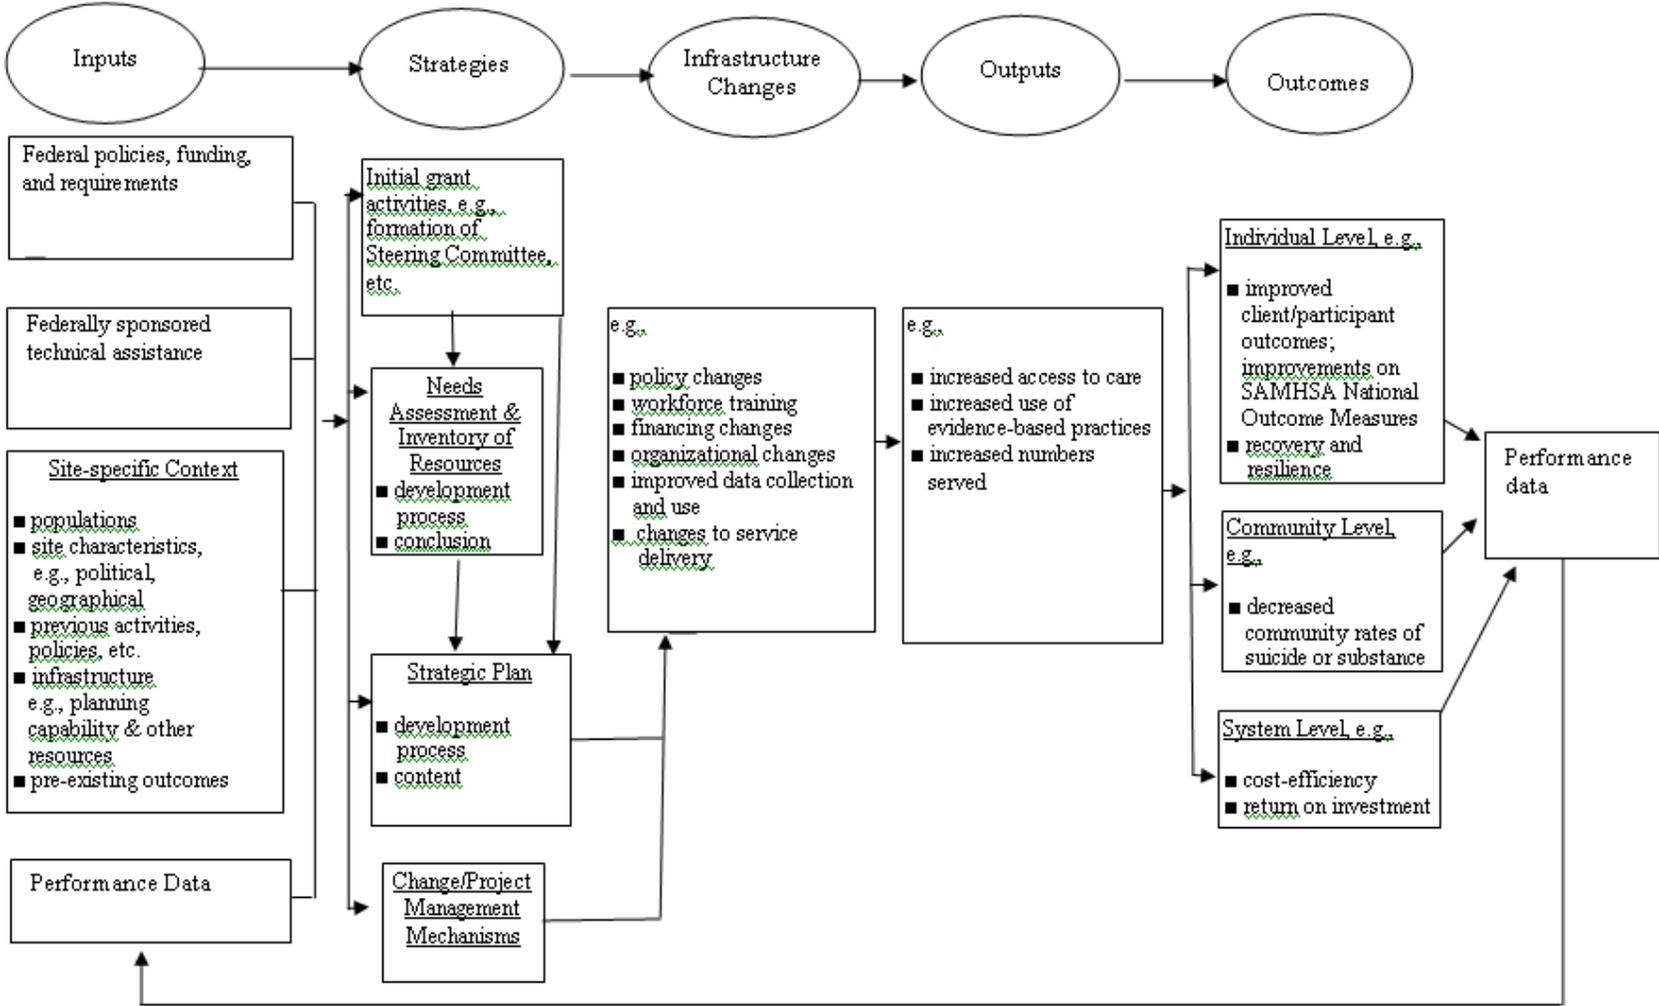

Outputs from these infrastructure changes depicted in the sample logic model include such things as increased access to care, increased use of evidence-based practices, and increased numbers served.

These outputs lead to **Outcomes** at the individual level, community level, and system level. Examples of individual level outcomes depicted in the sample logic model include improved client/participant outcomes; improvements on SAMHSA National Outcomes Measures; and recovery and resilience. Community level outcomes depicted include decreased community rates of suicide or substance abuse. System level outcomes depicted include cost-efficiency and return on investment.

The outcomes produce performance data which lead back to the performance data under **Inputs** in the sample logic model, as performance data both result from and inform the process.

[Note: The logic model presented is not a required format and SAMHSA does not expect strict adherence to this format. It is presented only as a sample of how you can present a logic model in your application.]

Appendix G – Biographical Sketches and Job Descriptions

Biographical Sketch

Existing curricula vitae of project staff members may be used if they are updated and contain all items of information requested below. You may add any information items listed below to complete existing documents. For development of new curricula vitae include items below in the most suitable format:

1. Name of staff member
2. Educational background: school(s), location, dates attended, degrees earned (specify year), major field of study
3. Professional experience
4. Honors received and dates
5. Recent relevant publications
6. Other sources of support [Other support is defined as all funds or resources, whether Federal, non-federal, or institutional, available to the Project Director/Program Director (and other key personnel named in the application) in direct support of their activities through grants, cooperative agreements, contracts, fellowships, gifts, prizes, and other means.]

Job Description

1. Title of position
2. Description of duties and responsibilities
3. Qualifications for position
4. Supervisory relationships
5. Skills and knowledge required
6. Personal qualities
7. Amount of travel and any other special conditions or requirements
8. Salary range
9. Hours per day or week

Appendix H – Sample Budget and Justification (no match required)

THIS IS AN ILLUSTRATION OF A SAMPLE DETAILED BUDGET AND NARRATIVE JUSTIFICATION WITH GUIDANCE FOR COMPLETING SF-424A: SECTION B FOR THE BUDGET PERIOD

A. Personnel: Provide employee(s) (including names for each identified position) of the applicant/recipient organization, including in-kind costs for those positions whose work is tied to the grant project.

FEDERAL REQUEST

Position	Name	Annual Salary/Rate	Level of Effort	Cost
(1) Project Director	John Doe	\$64,890	10%	\$6,489
(2) Grant Coordinator	To be selected	\$46,276	100%	\$46,276
(3) Clinical Director	Jane Doe	In-kind cost	20%	0
			TOTAL	\$52,765

JUSTIFICATION: Describe the role and responsibilities of each position.

- (1) The Project Director will provide daily oversight of the grant and will be considered key staff.
- (2) The Coordinator will coordinate project services and project activities, including training, communication and information dissemination.
- (3) The Clinical Director will provide necessary medical direction and guidance to staff for 540 clients served under this project.

Key staff positions require prior approval by SAMHSA after review of credentials of resume and job description.

FEDERAL REQUEST (enter in Section B column 1 line 6a of form S-424A) **\$52,765**

B. Fringe Benefits: List all components that make up the fringe benefits rate

FEDERAL REQUEST

Component	Rate	Wage	Cost
FICA	7.65%	\$52,765	\$4,037
Workers Compensation	2.5%	\$52,765	\$1,319
Insurance	10.5%	\$52,765	\$5,540
		TOTAL	\$10,896

JUSTIFICATION: Fringe reflects current rate for agency.

FEDERAL REQUEST (enter in Section B column 1 line 6b of form S-424A) **\$10,896**

C. Travel: Explain need for all travel other than that required by this application. Local travel policies prevail.

FEDERAL REQUEST

Purpose of Travel	Location	Item	Rate	Cost
(1) Grantee Conference	Washington, DC	Airfare	\$200/flight x 2 persons	\$400
		Hotel	\$180/night x 2 persons x 2 nights	\$720
		Per Diem (meals and incidentals)	\$46/day x 2 persons x 2 days	\$184
(2) Local travel		Mileage	3,000 miles @ .38/mile	\$1,140
			TOTAL	\$2,444

JUSTIFICATION: Describe the purpose of travel and how costs were determined.

(1) Two staff (Project Director and Evaluator) to attend mandatory grantee meeting in Washington, DC.

(2) Local travel is needed to attend local meetings, project activities, and training events. Local travel rate is based on organization's policies/procedures for privately owned vehicle reimbursement rate. If policy does not have a rate use GSA.

FEDERAL REQUEST (enter in Section B column 1 line 6c of form SF-424A) **\$2,444**

D. Equipment: an article of tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit (federal definition).

FEDERAL REQUEST – (enter in Section B column 1 line 6d of form SF-424A) **\$ 0**

E. Supplies: materials costing less than \$5,000 per unit and often having one-time use

FEDERAL REQUEST

Item(s)	Rate	Cost
General office supplies	\$50/mo. x 12 mo.	\$600
Postage	\$37/mo. x 8 mo.	\$296
Laptop Computer	\$900	\$900
Printer	\$300	\$300
Projector	\$900	\$900
Copies	8000 copies x .10/copy	\$800
	TOTAL	\$3,796

JUSTIFICATION: Describe the need and include an adequate justification of how each cost was estimated.

(1) Office supplies, copies and postage are needed for general operation of the project.

(2) The laptop computer and printer are needed for both project work and presentations for Project Director.

(3) The projector is needed for presentations and workshops. All costs were based on retail values at the time the application was written.

FEDERAL REQUEST – (enter in Section B column 1 line 6e of form SF-424A) \$ 3,796

F. Contract: A contractual arrangement to carry out a portion of the programmatic effort or for the acquisition of routine goods or services under the grant. Such arrangements may be in the form of consortium agreements or contracts. A consultant is an individual retained to provide professional advice or services for a fee. The applicant/grantee must establish written procurement policies and procedures that are consistently applied. All procurement transactions shall be conducted in a manner to provide to the maximum extent practical, open and free competition.

COSTS FOR CONTRACTS MUST BE BROKEN DOWN IN DETAIL AND A NARRATIVE JUSTIFICATION PROVIDED. IF APPLICABLE, NUMBERS OF CLIENTS SHOULD BE INCLUDED IN THE COSTS.

FEDERAL REQUEST

Name	Service	Rate	Other	Cost
(1) State Department of Human Services	Training	\$250/individual x 3 staff	5 days	\$750
(2) Treatment Services	1040 Clients	\$27/client per year		\$28,080

Name	Service	Rate	Other	Cost
(3) John Smith (Case Manager)	Treatment Client Services	1FTE @ \$27,000 + Fringe Benefits of \$6,750 = \$33,750	*Travel at 3,124 @ .50 per mile = \$1,562 *Training course \$175 *Supplies @ \$47.54 x 12 months or \$570 *Telephone @ \$60 x 12 months = \$720 *Indirect costs = \$9,390 (negotiated with contractor)	\$46,167
(4) Jane Smith	Evaluator	\$40 per hour x 225 hours	12 month period	\$9,000
(5) To Be Announced	Marketing Coordinator	Annual salary of \$30,000 x 10% level of effort		\$3,000
			TOTAL	\$86,997

JUSTIFICATION: Explain the need for each contractual agreement and how it relates to the overall project.

- (1) Certified trainers are necessary to carry out the purpose of the Statewide Consumer Network by providing recovery and wellness training, preparing consumer leaders statewide, and educating the public on mental health recovery.
- (2) Treatment services for clients to be served based on organizational history of expenses.

- (3) Case manager is vital to client services related to the program and outcomes.
- (4) Evaluator is provided by an experienced individual (Ph.D. level) with expertise in substance abuse, research and evaluation, is knowledgeable about the population of focus, and will report GPRA data.
- (5) Marketing Coordinator will develop a plan to include public education and outreach efforts to engage clients of the community about grantee activities, and provision of presentations at public meetings and community events to stakeholders, community civic organizations, churches, agencies, family groups and schools.

***Represents separate/distinct requested funds by cost category**

FEDERAL REQUEST – (enter in Section B column 1 line 6f of form SF-424A) **\$86,997**

G. Construction: NOT ALLOWED – Leave Section B columns 1& 2 line 6g on SF-424A blank.

H. Other: expenses not covered in any of the previous budget categories

FEDERAL REQUEST

Item	Rate	Cost
(1) Rent*	\$15/sq.ft x 700 sq. feet	\$10,500
(2) Telephone	\$100/mo. x 12 mo.	\$1,200
(3) Client Incentives	\$10/client follow up x 278 clients	\$2,780
(4) Brochures	.89/brochure X 1500 brochures	\$1,335
	TOTAL	\$15,815

JUSTIFICATION: Break down costs into cost/unit (e.g. cost/square foot). Explain the use of each item requested.

(1) Office space is included in the indirect cost rate agreement; however, if other rental costs for service site(s) are necessary for the project, they may be requested as a direct charge. The rent is calculated by square footage or FTE and reflects SAMHSA’s fair share of the space.

***If rent is requested (direct or indirect), provide the name of the owner(s) of the space/facility. If anyone related to the project owns the building which is less than an arms length arrangement, provide cost of ownership/use allowance calculations. Additionally, the lease and floor plan (including common areas) is required for all projects allocating rent costs.**

(2) The monthly telephone costs reflect the % of effort for the personnel listed in this application for the SAMHSA project only.

(3) The \$10 incentive is provided to encourage attendance to meet program goals for 278 client follow-ups.

(4) Brochures will be used at various community functions (health fairs and exhibits).

FEDERAL REQUEST – (enter in Section B column 1 line 6h of form SF-424A) \$15,815

Indirect Cost Rate: Indirect costs can be claimed if your organization has a negotiated indirect cost rate agreement. It is applied only to direct costs to the agency as allowed in the agreement. For information on applying for the indirect rate go to:

<http://www.samhsa.gov> then click on Grants – Grants Management – Contact Information – Important Offices at SAMHSA and DHHS - HHS Division of Cost Allocation – Regional Offices.

FEDERAL REQUEST (enter in Section B column 1 line 6j of form SF-424A)

8% of personnel and fringe (.08 x \$63,661) \$5,093

=====

\$177,806

=====

UNDER THIS SECTION REFLECT OTHER NON-FEDERAL SOURCES OF FUNDING BY DOLLAR AMOUNT AND NAME OF FUNDER e.g., Applicant, State, Local, Other, Program Income, etc.

Provide the total proposed Project Period and Federal funding as follows:

Proposed Project Period

a. Start Date:	09/30/2012	b. End Date:	09/29/2017
----------------	-------------------	--------------	-------------------

BUDGET SUMMARY (should include future years and projected total)

Category	Year 1	Year 2*	Year 3*	Year 4*	Year 5*	Total Project Costs
Personnel	\$52,765	\$54,348	\$55,978	\$57,658	\$59,387	\$280,136
Fringe	\$10,896	\$11,223	\$11,559	\$11,906	\$12,263	\$57,847
Travel	\$2,444	\$2,444	\$2,444	\$2,444	\$2,444	\$12,220
Equipment	0	0	0	0	0	0
Supplies	\$3,796	\$3,796	\$3,796	\$3,796	\$3,796	\$18,980
Contractual	\$86,997	\$86,997	\$86,997	\$86,997	\$86,997	\$434,985
Other	\$15,815	\$13,752	\$11,629	\$9,440	\$7,187	\$57,823
Total Direct Charges	\$172,713	\$172,560	\$172,403	\$172,241	\$172,074	\$861,991
Indirect Charges	\$5,093	\$5,246	\$5,403	\$5,565	\$5,732	\$27,039

Category	Year 1	Year 2*	Year 3*	Year 4*	Year 5*	Total Project Costs
Total Project Costs	\$177,806	\$177,806	\$177,806	\$177,806	\$177,806	\$889,030

TOTAL PROJECT COSTS: Sum of Total Direct Costs and Indirect Costs

FEDERAL REQUEST (enter in Section B column 1 line 6k of form SF-424A) **\$889,030**

***FOR REQUESTED FUTURE YEARS:**

1. Please justify and explain any changes to the budget that differs from the reflected amounts reported in the 01 Year Budget Summary.

2. If a cost of living adjustment (COLA) is included in future years, provide your organization's personnel policy and procedures that state all employees within the organization will receive a COLA.

Appendix I – Confidentiality and SAMHSA Participant Protection/Human Subjects Guidelines

Confidentiality and Participant Protection:

Because of the confidential nature of the work in which many SAMHSA grantees are involved, it is important to have safeguards protecting individuals from risks associated with their participation in SAMHSA projects. All applicants must address the seven elements below. If some are not applicable or relevant to the proposed project, simply state that they are not applicable and indicate why. In addition to addressing these seven elements, read the section that follows entitled Protection of Human Subjects Regulations to determine if the regulations may apply to your project. If so, you are required to describe the process you will follow for obtaining Institutional Review Board (IRB) approval. While we encourage you to keep your responses brief, there are no page limits for this section and no points will be assigned by the Review Committee. Problems with confidentiality, participant protection, and the protection of human subjects identified during peer review of the application must be resolved prior to funding.

1. Protect Clients and Staff from Potential Risks

- Identify and describe any foreseeable physical, medical, psychological, social, and legal risks or potential adverse effects as a result of the project itself or any data collection activity.
- Describe the procedures you will follow to minimize or protect participants against potential risks, including risks to confidentiality.
- Identify plans to provide guidance and assistance in the event there are adverse effects to participants.
- Where appropriate, describe alternative treatments and procedures that may be beneficial to the participants. If you choose not to use these other beneficial treatments, provide the reasons for not using them.

2. Fair Selection of Participants

- Describe the population(s) of focus for the proposed project. Include age, gender, and racial/ethnic background and note if the population includes homeless youth, foster children, children of substance abusers, pregnant women, or other targeted groups.
- Explain the reasons for including groups of pregnant women, children, people with mental disabilities, people in institutions, prisoners, and individuals who are likely to be particularly vulnerable to HIV/AIDS.
- Explain the reasons for including or excluding participants.

- Explain how you will recruit and select participants. Identify who will select participants.

3. Absence of Coercion

- Explain if participation in the project is voluntary or required. Identify possible reasons why participation is required, for example, court orders requiring people to participate in a program.
- If you plan to compensate participants, state how participants will be awarded incentives (e.g., money, gifts, etc.). Provide justification that the use of incentives is appropriate, judicious, and conservative and that incentives do not provide an “undue inducement” which removes the voluntary nature of participation. Incentives should be the minimum amount necessary to meet the programmatic and performance assessment goals of the grant. Applicants should determine the minimum amount that is proven effective by consulting with existing local programs and reviewing the relevant literature. In no case may the value of an incentive paid for with SAMHSA discretionary grant funds exceed \$20.
- State how volunteer participants will be told that they may receive services intervention even if they do not participate in or complete the data collection component of the project.

4. Data Collection

- Identify from whom you will collect data (e.g., from participants themselves, family members, teachers, others). Describe the data collection procedures and specify the sources for obtaining data (e.g., school records, interviews, psychological assessments, questionnaires, observation, or other sources). Where data are to be collected through observational techniques, questionnaires, interviews, or other direct means, describe the data collection setting.
- Identify what type of specimens (e.g., urine, blood) will be used, if any. State if the material will be used just for evaluation or if other use(s) will be made. Also, if needed, describe how the material will be monitored to ensure the safety of participants.
- Provide in **Attachment 2, “Data Collection Instruments/Interview Protocols,”** copies of all available data collection instruments and interview protocols that you plan to use.

5. Privacy and Confidentiality

- Explain how you will ensure privacy and confidentiality. Include who will collect data and how it will be collected.

- Describe:
 - How you will use data collection instruments.
 - Where data will be stored.
 - Who will or will not have access to information.
 - How the identity of participants will be kept private, for example, through the use of a coding system on data records, limiting access to records, or storing identifiers separately from data.

NOTE: If applicable, grantees must agree to maintain the confidentiality of alcohol and drug abuse client records according to the provisions of **Title 42 of the Code of Federal Regulations, Part II.**

6. Adequate Consent Procedures

- List what information will be given to people who participate in the project. Include the type and purpose of their participation. Identify the data that will be collected, how the data will be used and how you will keep the data private.
- State:
 - Whether or not their participation is voluntary.
 - Their right to leave the project at any time without problems.
 - Possible risks from participation in the project.
 - Plans to protect clients from these risks.
- Explain how you will get consent for youth, the elderly, people with limited reading skills, and people who do not use English as their first language.

NOTE: If the project poses potential physical, medical, psychological, legal, social or other risks, you **must** obtain written informed consent.

- Indicate if you will obtain informed consent from participants or assent from minors along with consent from their parents or legal guardians. Describe how the consent will be documented. For example: Will you read the consent forms? Will you ask prospective participants questions to be sure they understand the forms? Will you give them copies of what they sign?
- Include, as appropriate, sample consent forms that provide for: (1) informed consent for participation in service intervention; (2) informed consent for participation in the data collection component of the project; and (3) informed consent for the exchange (releasing or requesting) of confidential information.

The sample forms must be included in **Attachment 3, “Sample Consent Forms”**, of your application. If needed, give English translations.

NOTE: Never imply that the participant waives or appears to waive any legal rights, may not end involvement with the project, or releases your project or its agents from liability for negligence.

- Describe if separate consents will be obtained for different stages or parts of the project. For example, will they be needed for both participant protection in treatment intervention and for the collection and use of data?
- Additionally, if other consents (e.g., consents to release information to others or gather information from others) will be used in your project, provide a description of the consents. Will individuals who do not consent to having individually identifiable data collected for evaluation purposes be allowed to participate in the project?

7. Risk/Benefit Discussion

- Discuss why the risks are reasonable compared to expected benefits and importance of the knowledge from the project.

Protection of Human Subjects Regulations

SAMHSA expects that most grantees funded under this announcement will not have to comply with the Protection of Human Subjects Regulations (45 CFR 46), which requires Institutional Review Board (IRB) approval. However, in some instances, the applicant’s proposed performance assessment design may meet the regulation’s criteria for research involving human subjects. For assistance in determining if your proposed performance assessment meets the criteria in 45 CFR 46, Protection of Human Subjects Regulations, refer to the SAMHSA decision tree on the SAMHSA Web site, under “Applying for a New SAMHSA Grant,” <http://www.samhsa.gov/grants/apply.aspx>.

In addition to the elements above, applicants whose projects must comply with the Human Subjects Regulations must fully describe the process for obtaining IRB approval. While IRB approval is not required at the time of grant award, these grantees will be required, as a condition of award, to provide documentation that an Assurance of Compliance is on file with the Office for Human Research Protections (OHRP). IRB approval must be received in these cases prior to enrolling participants in the project. General information about Human Subjects Regulations can be obtained through OHRP at <http://www.hhs.gov/ohrp>, or ohrp@osophs.dhhs.gov, or (240) 453-6900. SAMHSA–specific questions should be directed to the program contact listed in Section VII of this announcement.
